Camden High School

Camden, Arkansas

Mr. and Mrs. Sam Coleman

Mr. and Mrs. Coleman have dedicated years of service to CHS. Mrs. Coleman was an inspiring choral director, whom all loved and respected and still do. Mr. Coleman had many great seasons as coach of the fighting Panthers. They are still serving well in their present capacities. To Mr. and Mrs. Sam Coleman, we gratefully dedicate the 1968 *Conifer*.

Miss Mary Lou Parker

To Miss Parker, we dedicate the 1968 *Conifer*. She put in valuable years at CHS as the art teacher and dramatics teacher, and her direction of the senior plays will never be forgotten. As supervisor or art in the Camden Public Schools her work is still unfailing. Thus, to Miss Parker we dedicate the 1968 *Conifer*.

Mr. Seymour might well be called the busiest man in school. He is responsible for seeing that things go smoothly with the students and faculty. His duties range from signing excuses to planning schedules for the school year. There is seldom a time when someone doesn't want to discuss something with him. A leader such as Mr. Seymour meets matters ranging from classroom problems to extracurricular activities with strength and daring. Undaunted by conferences, meetings, reports, and endless school problems, he faces daily affairs cheerfully and wisely.

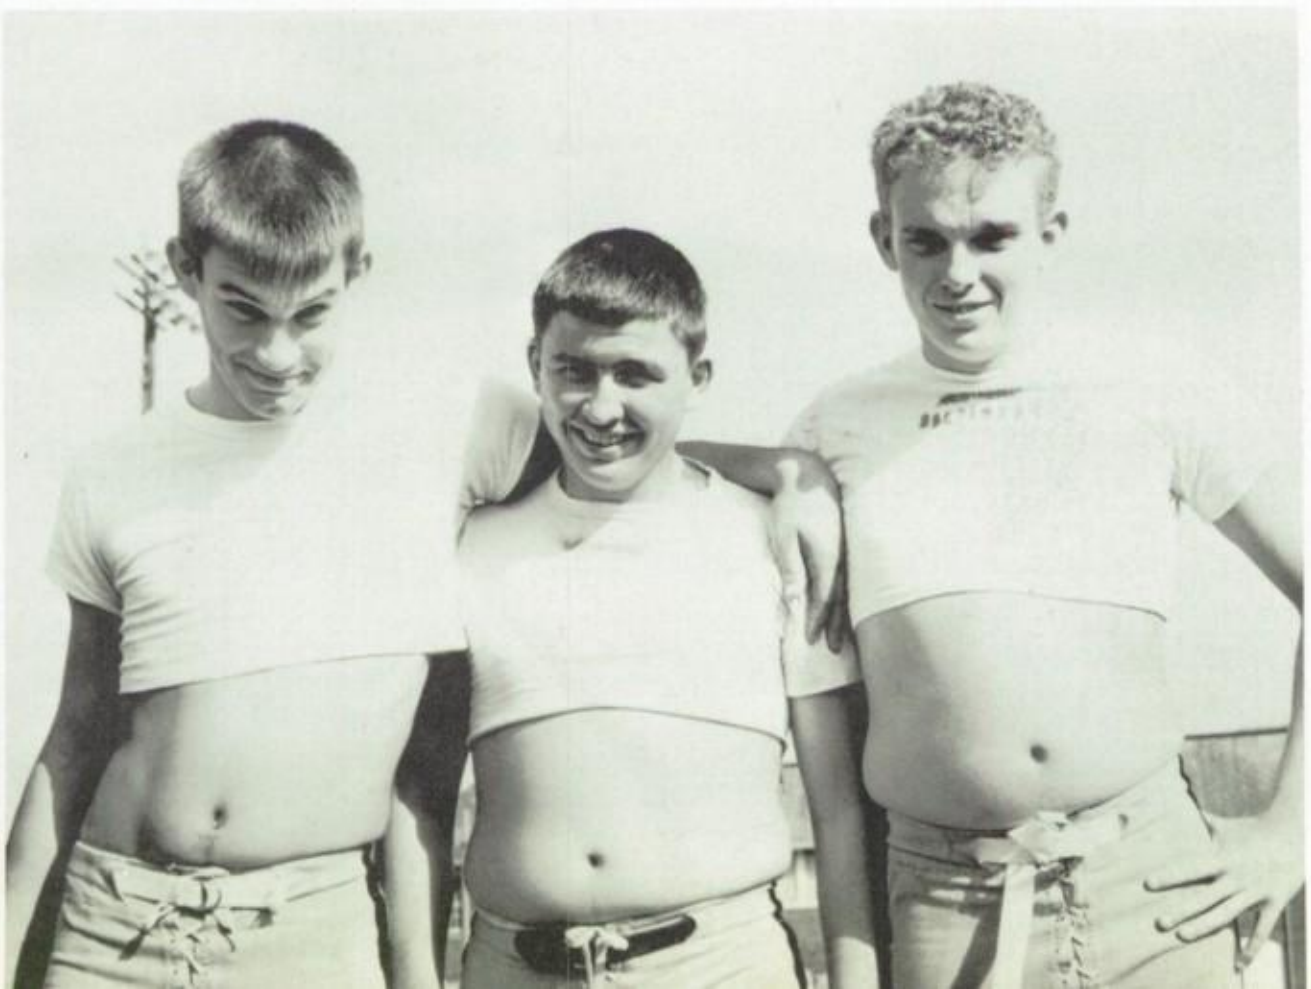
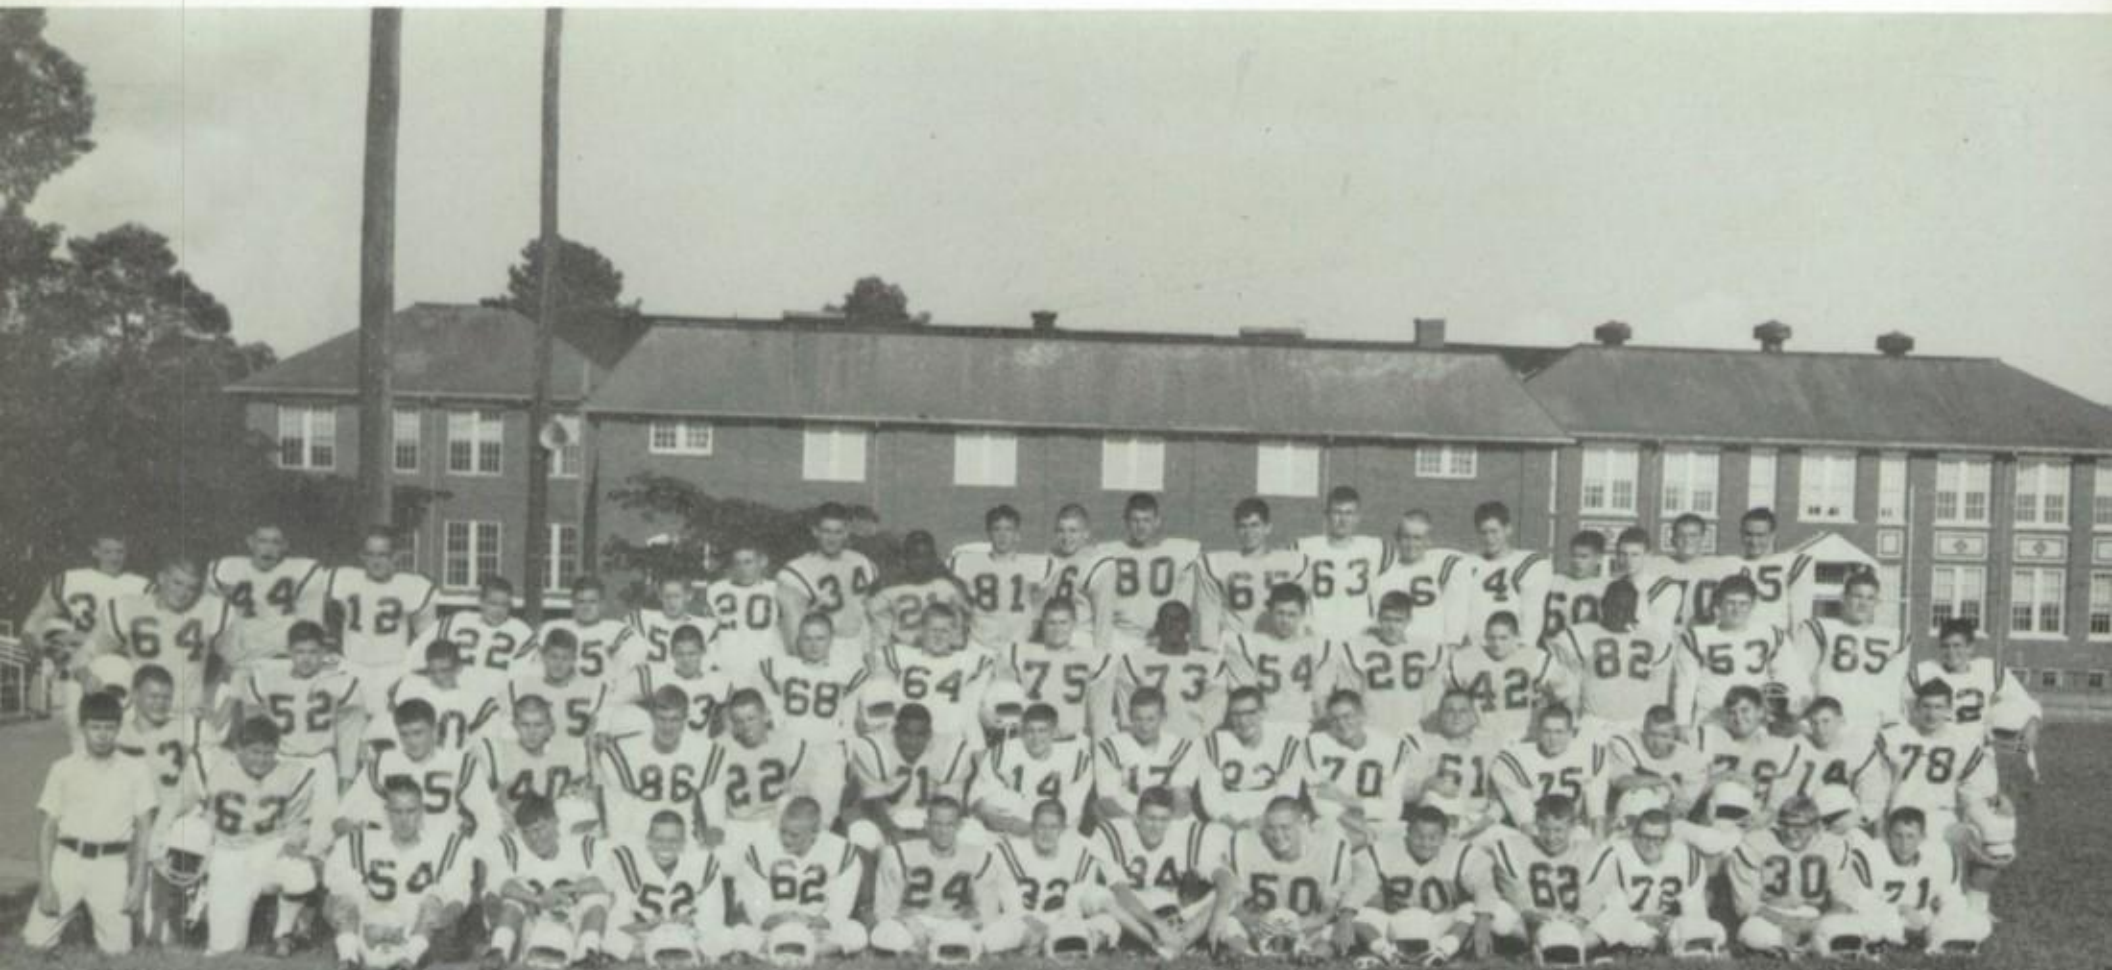
All right, boys! Let's get him!!

At the end of the season our boys were in GREAT shape!!





1967-68 Junior Football Undefeated

Coach Bob Johnson coached a willing and enthusiastic team of 9th grade boys to an unbeaten season and a record of 7-0-1. This group of juniors reported in August with a desire for a winning season. Teamwork and cooperation along with talent were the main ingredients in their success. A total of 75 boys were out for the junior program. Jim Foyil and Bill Meek were elected captains by the members of the team. The age and experience of this group of players will become evident to the other teams in IV AA in the next several years.

"What profit hath he that worketh in that wherein he laboreth?"

This is the closing quotation of the theme of the 1968 *Conifer*. Our profit has many parts — the *Conifer* itself, valuable experience, and the wonderful memories of a great year. The entire staff began the year with enthusiasm and determination. We set forth to publish the best annual ever, and in our estimation we accomplished our goal.

To Miss Mary Alice Tinsley, we extend a most hearty thanks, for without her guidance we could not have made it through the year.

We would like to thank the Hurley Printing Co. and especially Mr. Tom Walker and Mr. Hugh Anderson for their patience with us, an inexperienced staff.

To Ben Bracken, we extend our deepest gratitude.

Finally, we thank Mr. Seymour, the faculty, and the student body for supporting the Journalism Class. Without you the *Conifer* would be impossible.

As this my second year of teaching comes to a close, so does my brief career at Camden High School. I leave with a heart full of wonderful memories from the two years I spent here. I will always remember those two years and would like to wish you all the best of luck in the future, especially the journalism class — they need it!! I would also like to express my appreciation to all those who helped to make this 1967-68 *Conifer*, possible.

Sincerely,
Miss Mary Alice Tinsley

Dear Kathleen,

Dear Kathleen,
I can believe this year is finally over! We had a lot of fun in P.E. acting like idiots, and in Algebra playing those dumb games on the board! Wish you were taking Geom. so we could laugh at Harvey again. Hope I see you around this summer. Kathleen, we had a couple of "bad times" this year but I hope you won't hold it against me. Just remember, no matter what, I'm still your friend. Good luck & "be good" (but have fun!)

Love,
Mare

Dear Kathleen,
This has been a fine year especially in the Library. I had a good time and hope you did. to maybe next year we can have some more enjoyable moments
